

OUR CITY IS UNDER A TOXIC ASSAULT

It is no secret that East Chicago is home to the most polluting and profitable industries in human history and that they have done extraordinary harm to the health and welfare of our families and community. Still, the threats to our health continue to grow.

This next week there are 3 important public meetings that affect every child and adult in our city. It is vitally important that all residents get involved and be heard, together we will stop the poisoning of East Chicago.
